

Corpi sonanti

SPERIMENTARE E “ABITARE “ CON IL SUONO E IL CORPO NUOVI SPAZI ACUSTICI

Che Cos'è?

Come funziona?

Stima della posa

Framework Web Audio
Tone Js.

Che cosa significa?

Corpi sonanti è pensabile come una risorsa che concorre all'apprendimento musicale, attraverso l'utilizzo libero ed astratto del corpo.

Che cosa succederebbe se...?

Se si provasse a sperimentare e valorizzare le potenzialità espressive del corpo e le gestualità dello strumentista mentre suona?
